Dear Parent/Guardian

The New Parent App – Easy access to important school information

We have a convenient new way to communicate with you and keep your contact details up to date. From the **23rd May**, you'll be able to access our SIMS Parent App Lite and website.

You can access the system from a smartphone, tablet or PC – anytime, anywhere.

What will you find in the SIMS Parent App Lite:

- School term, inset dates and contact details available at the click of a button
- Receive notifications to remind you about important information such as key dates for your diary
- Access to update your contact details, so we always have the most up-to-date information in case of emergency
- If you have more than one child at school, you'll have access to information for all your children, from the same app

Getting started with the SIMS Parent App Lite

1. We will send you an activation email, simply click on the link from your tablet, PC or smartphone to activate your account.
2. You can then login using your normal **Facebook, Twitter, Google** or **Microsoft** username and password.
3. From your smartphone or tablet, download the app from the Google Play or Apple App store - search for **SIMS Parent**.
4. From a PC or Windows phone, login online at www.sims-parent.co.uk

Please note that your activation email is unique to you and should not be used by anyone else. If you require an additional login then please contact your school.

Yours sincerely
